

# Ministry grows here

You have treasures with great potential.  
Activate them for God's work.

# Kansas Methodist Foundation empowers faithful people, churches, and organizations to imagine the possibilities for ministry, then turn them into reality.

We help you embrace an abundance mindset, create a common vision for ministry/mission, and put financial tools in place to make the vision a reality.

## INDIVIDUALS

Support your church and other charitable causes important to you in a simple, tax-advantaged way.

### LEGACY GIVING

A key ministry of KMF is helping you leave a lasting legacy. One advantage of using KMF to care for your bequest is we can receive and distribute the funds, in the percentages you determine, to your church and other charitable causes, per your donor agreement.

### DONOR ADVISED FUNDS

A Donor Advised Fund provides you with a simple, tax-advantaged way to support your church and other charitable causes important to you.

### APPRECIATED ASSETS

Donating appreciated stocks can be a good option to eliminate capital gains taxes. KMF helps you eliminate tax and maximize dollars for charity.

### LIFE INCOME GIFTS

Through a variety of options, KMF provides you the opportunity to receive life-time income and give charitably to your church or a ministry important to you.
