

Reduce Taxes Increase Impact

Are you 70½ years old or older? Do you have a traditional IRA? If so, you may be able to give directly to the church from your IRA, avoid taxes, and in many situations meet the Required Minimum Distribution, RMD.

How it works:

Through a Qualified Charitable Distribution, you can give a gift to the church directly from your IRA. You do not count the gift as income or pay taxes on the amount that is directly transferred. To make a gift, contact your IRA administrator and request any amount be sent, up to \$100,000. The IRA administrator will send a check directly to the church, which is tax-exempt, increasing the impact of your giving. You will want to notify the church office of the distribution.
