

Create Your Legacy

Why plan your legacy?

When thinking about your legacy, the first priority is taking care of your loved ones. At the same time, you may also want to give to your church and other charities meaningful to you. Many people desire to leave a gift, but without a plan in place, there is no guarantee it will occur. A fund with KMF ensures the charitable causes important to you during your life will continue to be supported.

How can you leave a legacy?

Leaving a legacy by creating a charitable fund at the Kansas Methodist Foundation is an effective way to support ministries beyond life. KMF will professionally manage your gift, hold to your intent, and provide lasting support for the ministries and charities you choose.

How it works:

Through a fund with the Kansas Methodist Foundation, you can give to one or more organizations and ensure that your charitable wishes are met, leaving a lasting legacy to your church and community.

1. **Contact KMF to establish your fund.** Once the fund is created, you can update the agreement at any time, free of charge.

2. **Consider which charitable causes you wish to support.**

Your fund can support your church and other 501(c)(3) organizations you choose.

3. **Consider the best gift to give.** Such as:

- A portion of your estate through your will or trust. Consider giving a tithe, 10%, or more of your estate.
- Make your fund the beneficiary of your IRA or a life insurance policy.

4. **Rest assured your fund will support the causes important to you.** Once funded, you will leave a legacy through KMF as we carry out your wishes as directed.
