If applicable, the Investor should refer to the gift instrument (e.g., will, letter of instruction), institutional documents (e.g., bylaws, endowment program charter, *The Book of Discipline*) and to relevant Kansas Statutes for guidance regarding the Investor's duties and responsibilities regarding the investment and use of charitable endowment funds and other financial assets administered for charitable purposes.

5. **Rate of Return.** In accepting and handling the funds covered by this *Agreement*, the Foundation is acting as custodian and agent for the Investor and does not guarantee the principal amount, the amount of return from the investment thereof, or the payment of interest or dividends on any security or other investment in which the principal sum, or its earnings, may from time to time be invested.
6. **Distributions.** Distributions from the account shall be of the type and made with the frequency indicated above. **The Investor reserves all rights and responsibilities to direct the distribution of earnings and principal from the Investor's account.** Only by Investor's request shall all undisbursed income be credited to the account and reinvested by the Foundation. Notice of upon requests for withdrawal of funds, other than as scheduled in the attached Account

Investment Application, shall be given to the Foundation using the Account Withdrawal Request form and signed by two authorized officer(s) of the Investor, as specified in the Officer Authorization Signature Form.

7. Accounting. The fiscal year of all the Foundation investment funds is the calendar year. The financial statements of the Foundation are audited annually by certified public accountants. The Foundation will provide a copy of its audited financial statements to the Investor upon request.
8. Investment Funds. In 2019 the Foundation partnered with Wespath Institutional Investments, "Wespath", as their investment manager. Churches and Organizations may choose their desired asset allocation from five investment pools – Balanced Fund, Equity Fund, U.S. Equity Index Fund, Fixed Income Fund, and Short-Term Income Fund. Each of these diversified investment pooled funds is tailored to meet a particular investment goal, and each pool maintains a strategic allocation among a variety of asset types and markets.
 - (a) Balanced Fund: The Balanced Fund objective is to provide a simple option for long-term, global-diversified investments. The fund seeks to maximize the long-term investment returns, including current income and capital appreciation, while reducing short-term risk by investing in a broad mix. The Fund has a pre-specified allocation of units with a target mix of 35% U.S. Equity Fund, 30% International Equity Fund, 25% Fixed Income Fund, and 10% Inflation Protection Fund.
 - (b) Equity Fund: The Equity Fund, made up of all equities (stocks), seeks to earn long-term capital appreciation primarily from a broadly diversified portfolio of domestic and international equities, with a target mix of 45% U.S. Equity Fund, 20% U.S. Equity Index Fund, and 35% International Equity Fund.
 - (c) US Equity Index Fund: The US Equity Index Fund invests in a portfolio of common stocks as represented by the Russell 3000® index, but socially screened in alignment with the values of the church.
 - (d) Fixed Income Fund: The objective of the Fixed Income Fund is to earn current income by investing in a broadly diversified portfolio of fixed-income instruments. The fund holds publicly traded U.S. fixed income securities, and fixed income securities denominated in currencies other than the U.S. dollar. The fund also holds privately placed loans originated by the Positive Social Purpose Lending Program.
 - (e) Short Term Income Fund: The Short Term Income Fund objective is to maximize current income consistent with preservation of capital. The fund is a combination of multiple investment instruments of the Foundation. In periods of stable and falling interest rates, the short-term fund should outperform funds holding investments with shorter maturities. (e.g., renovations, capital campaign pledges, etc.)

The Investor may select the desired investment portfolio by choosing an allocation percentages (%) in any combination of the pooled funds. Total allocation shall sum to 100%.

9. Fees and Expenses. All accounts held by the Foundation participate in the investment expenses paid to fund managers on a pro-rata basis. In addition, each account is charged the Foundation's administrative fee as described in this Agreement.
 - (a) The Foundation is a self-supporting service agency connected to the Methodist movement and the administrative fee partially underwrites all the Foundation services (e.g., stewardship services, estate planning services, planned giving workshops/seminars, donor consultations and engagement, training and consultations, and all administrative overhead).
 - (b) The Investor agrees to pay and authorizes the Foundation to automatically withdraw fees and expenses from Investor's account when they are due and payable. As of November 2019, the current fee structure is as follows: Balanced Fund, Equity Fund, US Equity Index Fund and Fixed Income Funds: an administrative fee of 75bps per annum of each account's fair market value up to \$1 million; 65bps per annum on the fair market fund value above \$1 million up to \$2 million; 50bps per annum on the fair market fund value above \$2 million up to \$5 million; and negotiable on a per account basis for fair market values above \$5 million. Short Term Income Fund: an administrative fee of 30bps per annum of each account's fair market value.
 - (c) All administrative fees are payable monthly, based on one-twelfth (1/12) of the applicable percentage fee times the account's fair market value on the last day of each month.
 - (d) All investment funds incur management fees and expenses by the Foundation's investment managers and brokers, which fees and expenses are in addition to the administrative fees paid to the Foundation.
 - (e) The Foundation is authorized to automatically withdraw the investment management fees and expenses allocated to the Investors account. The costs of any wire transfers requested by the Investor shall be charged to the Investor's account.
 - (f) The administrative fee is subject to change. The Investor will receive written notice of any change in the administrative fee at least sixty (60) days in advance. The Investor pays no transaction fees, charges or expenses to either make deposits in, or withdraw assets from, the Funds.
10. Reporting. The Foundation will report at least annually to the Investor regarding contributions, withdrawals, market value, and appreciation on this account. These reports or account statements shall be delivered to the Primary Contact by email statement or regular mail. The Primary Contact may be changed by the Investor at any time by a written notice including an updated Officer Authorization Signature Form (available from the Foundation office).

11. Termination/Closing Account. This agreement may be terminated at any time upon written notice on official letterhead of the church or organization signed by two authorized officers of the Investor. As soon as possible, but no later than sixty (60) days after the effective date of any such termination/closing account, the Foundation shall pay to the Investor all sums remaining in the account.
12. Notices. All notices from the Investor required or permitted by this agreement shall be made in writing, signed by two authorized officers, include account name and number, and be sent by first class US Mail to the attention of "President and CEO" at the Foundation office (P.O. Box 605, Hutchinson, Kansas 67504-0605). Notices from the Foundation shall be sent to the Investor care of the Primary Contact, signed by an officer of the Foundation, and sent by first class US Mail.
13. Confirmation of Account. The information in the letter will be deemed correct if the Investor does not give written notice of corrections or changes within ten (10) days of receipt of the letter.
14. Changes to Account. If the Investor wishes to make changes regarding the account (e.g., investment allocation, instructions regarding frequency or type of distributions, name or address of Primary Contact person, authorized signatories), it will provide the appropriate agreement form to the Foundation with those changes indicated. If the changes are acceptable to the Foundation, they will be implemented as soon as possible, but no later than ten (10) business days after receipt of the updated agreement.
15. Merged or Consolidated. If at any time the Investor referred to as Investor herein is lawfully merged or consolidated with any other Investor, then the merged or consolidated Investor shall succeed to the rights of the Investor under this Agreement. Any successor of the Foundation., whether through consolidation, merger or otherwise, shall forthwith become the successor the Foundation under this Agreement, and shall succeed to the possession of the assets of the Foundation and all powers, rights, discretion, obligations and immunities of the Foundation hereunder, with the same effect as through such successor were named originally as the Foundation.
16. Miscellaneous. This agreement constitutes the entire agreement of the parties, and all prior agreements or understandings regarding the subject matter of this agreement, whether written or oral, are of no further force and effect. The parties agree that the Foundation is not a bank, and that no trust is created by this agreement.
17. Publication. Unless otherwise noted in this agreement, the church/organization name can be listed in the reports and publications of the Foundation.
