

The mission of the Kansas Methodist Foundation (“KMF”) is to empower faithful people, churches, and organizations to imagine the possibilities for ministry and turn them into reality.

KMF is offering a limited number of one-time (one to one) matching grants, ranging from \$500 - \$5,000 to **Kansas Methodist churches and organizations** to advance ministries across our state, especially in ways that are **creative, innovative, and new**. Grant applications are due to the KMF office by **April 1, 2025**. **The Program/ Ministry must take place between June 1, 2025 through May 31, 2026**. Only one application per church/organization will be accepted.

Grants are made possible by KMF’s Pathways for Discipleship Funds. The Pathways for Discipleship Funds are supported by generous donors through endowed, legacy funds that provide matching grants to churches and organizations to support ministries in the broader connections of our church and community. They are gifts that will continue to make disciples of Jesus Christ and transform the world around us.

KMF offers grants from the following Pathways for Discipleship Funds:

Children/Youth Program Fund

This pathway fund provides grants for all aspects of programming for children, youth, and young adult ministries. This includes the development of new, unique programs to attract children, youth, and young adults to the church through a local church, district, campus ministry, or conference experiences. This fund may assist camping and campus ministry leadership development or training.

Ministry and Outreach Grant Fund

This pathway fund provides ministry grants that will expand the missional outreach of the church. These grants will be for programming, outreach ministry requests, and mission trips. (This fund will not be used for brick and mortar requests.)

Justice Ministries

This pathway provides grants for programs focused on healing racial divisions, increasing equity among God’s children, encouraging inclusion, and broadening people’s understanding of diversity and bias.

Leadership Education Fund

This pathway fund provides support for education and leadership development of clergy and lay leaders. This fund may also assist in providing training for a church, network, or regional gathering.

Grant applications will be reviewed by KMF’s Board of Trustees. KMF reserves the right to reject in whole or in part any grant application that it deems to be incomplete or not in accordance with the mission and policies set forth by KMF. Since KMF is looking for innovative and new ministries, your grant application will be evaluated accordingly.
