A Guide to Giving Options

We believe we are called to faithfully steward the resources God has entrusted to us and to help you do the same.

Thoughtful planning ensures your intention to bless our church and make an impact in our ministry. This flyer outlines giving options for ways you can make an impact.

For questions or personalized guidance, please contact our church office or the Kansas Methodist Foundation. KMF is happy to provide illustrations of these gift options and explain benefits for you and our church.

THOUGHTFUL AND STRATEGIC GIVING OPTIONS

- **GIFT OF CASH.** Cash is usually the easiest & most convenient way to make an immediate impact.
- **GIFT OF SECURITIES.** A gift of stocks or bonds may offer an even greater tax benefit. If your securities have increased in value, you can avoid capital gains tax and receive a charitable income tax deduction equal to their fair market value.
- **GIFT FROM YOUR IRA.** If you're 70½ or older, you can give to our church or KMF from your Traditional IRA. Your gift will likely be tax-free and may meet your annual Required Minimum Distribution (RMD).
- **DONOR ADVISED FUND.** Looking for a year-end tax deduction but need time to plan your giving? A donor-advised fund lets you clump your giving, donate now, and support our church and other 501(c)(3)s later.

There are other giving options offering tax and income benefits. Please contact the Kansas Methodist Foundation for more information:

By making a plan to give in the future, you can rest assured your charitable desires will be honored.

- **ESTATE GIFT.** Through an estate gift, a percentage, a set dollar amount, or the remainder can be given through your will, trust, IRA, or life insurance. You receive the immediate satisfaction of knowing your desire to support our church will be honored.
- **BENEFICIARY DESIGNATION.** By naming our church as a beneficiary on your retirement or investment account, or life insurance policy, your gift will make a greater impact and pass tax-free. Consult your financial advisor and/or insurance agent.
